

WELCOME TO THE OAKS!

Hello to all! We at the Oaks Tenants Association would like to welcome the new tenants to the Oaks and thank all the tenants that have supported the Oaks Tenants Association over the last two and a half years. Without you, we wouldn't have lasted this long.

We would like to address the issue of the 5.9 - 6.9 percent above the guideline rent increase from last year. Our legal representative has been in contact with the Tribunal

and no hearing date has been set yet!

The Oaks Tenants Association is looking for new members and volunteers to fill various positions. Remember a landlord cannot evict or pressure tenants for being members of a tenants association.

Please read and distribute the Attached Notice to anyone you feel would be interested. We will be discussing this at the next Meeting on October 1st.

NEXT MEETING

Our next meeting will be on Tuesday, October 1st at 7:30 pm in the party room of the 2975 building. The back door of the party room will be open. Our legal representative will be attending. We will be discussing how you can benefit from the Association, what it can do for you, what we have done and will do in the future.
